

I'll sing it one last (1) for you			
Then we really have to go			
You've been the only thing that's right			
In all I've done			
And I can (2) look at you			
But every single (3) I do			
I know we'll make it anywhere			
Away (4) here			
Light up, light up			
As if you have a choice			
Even if you cannot hear my voice			
I'll be (5) beside you, dear			
To think I might not see those eyes			
Makes it so hard not to cry			
And as we say our long goodbyes			
I nearly do			
Light up, light up			

Fill in the gaps

As if you (6) a cho	ice		
Even if you (7)	hear my voice		
I'll be right beside you, dear			
Louder, louder			
And we'll run for our lives			
I can hardly speak, I understand			
Why you can't raise your voice to say			
Light up, light up			
As if you have a choice			
Even if you cannot hear my voice			
I'll be right (8)	you, dear		
Louder, louder			
And we'll run for our lives			
I can hardly speak, I understand			
Why you can't (9)	(10)	voice to say
