This Is The Last Time (Live) by Keane

This is the last time	Or hide it under the stairs
That I will say these words	You say (10) some (11) never die
I remember the first time	Well I tried and I tried
The first of many lies	Something I wasn't (12) of
Sweep it into the corner	But I was in the (13) of
Or hide it (1) the bed	Something I forget now
Say these things they go away	But I've (14) too little of
But they	The last time
Never do	You (15) on me for anything you like
Something I wasn't sure of	Your one (16) line
But I was in the middle of	You (17) on me for (18) you
Something I forget now	like
But I've seen too little of	And years make (19) alright
The last time	You fall on me for anything you like
You (2) on me for anything you like	And I
Your one (3) line	No I don't mind
You fall on me for anything you like	The last time
And years make (4) alright	You (20) on me for anything you like
You (5) on me for anything you like	Your one (21) line
And I	You fall on me for anything you like
No I don't mind	And years (22) everything alright
This is the last time	You fall on me for anything you like
That I will (6) my face	And I
One last (7) lie	No I don't mind
And (8) I'm out of this place	
So (9) it into the carpet
