

## Fill in the gaps

Ever wonder 'bout what he's doing?	Gotta get up and try, try, try
How it all turned to lies?	Every worry that it might be ruined?
Sometimes I (1) that it's better	Does it make you wanna cry?
To never ask why	When you're out there doing what you're doing
Where there is desire there is gonna be a flame	Are you just getting by?
Where there is a flame someone's bound to get burned	Tell me are you just getting by, by, by
But just because it burns	Where there is desire (6) is (7) be
Doesn't mean you're gonna die	a flame
You gotta get up and try, try, try	Where (8) is a flame someone's bound to get
Gotta get up and try, try, try	burned
Gotta get up and try, try, try	But just because it burns
Funny how the (2) can be deceiving	Doesn't mean (9) gonna die
More (3) just a (4) times	You gotta get up and try, try, try
Why do we fall in love so easy?	Gotta get up and try, try, try
Even when it's not right	You gotta get up and try, try, try
Where there is desire there is gonna be a flame	Gotta get up and try, try, try
Where there is a flame someone's bound to get burned	You gotta get up and try, try, try
But just because it burns	You Gotta get up and try, try, try
Doesn't (5) you're gonna die	Gotta get up and try, try, try
You gotta get up and try, try, try	You gotta get up and try, try, try
Gotta get up and try, try, try	Gotta get up and try, try, try
