That I'm gonna be the one

Who'll be there

When Tomorrow Comes by Eurythmics

Underneath your dreamlit eyes	When you need someone
Shades of sleep	To depend upon
Have driven you away	When tomorrow comes
The moon is pale outside	(Wait until tomorrow comes, yeah, yeah)
And you are far from here	When (6) comes
Breathing shifts your careless head	(Wait until tomorrow comes, yeah, yeah)
Untroubled by the chaos of our lives	When tomorrow comes
Another day	(Wait until (7) comes, yeah, yeah)
Another (1) has taken you again my dear	When tomorrow comes
And you know	(Wait (8) (9) comes, yeah,
That I'm gonna be the one	yeah)
Who'll be there	Oh yeah
When you need someone	And you know
To depend upon	That I am gonna be the one
When tomorrow comes	Who'll be there
(Wait (2) tomorrow comes, yeah, yeah)	When you need someone to depend upon
When tomorrow comes	When tomorrow comes
(Wait until tomorrow comes, yeah, yeah)	(Wait until tomorrow comes, yeah, yeah)
When tomorrow comes	When tomorrow comes
(Wait until tomorrow comes, yeah, yeah)	(Wait until tomorrow comes, yeah, yeah)
When tomorrow comes	When (10) comes
(Wait until (3) comes, yeah, yeah)	I can't wait, I can't wait, I can't wait
_ast night	When tomorrow comes
While you were lying in my arms	(Wait until tomorrow comes, yeah, yeah)
And I was (4) where you were	I can't wait 'til tomorrow baby
And you know you looked just (5) a baby	When tomorrow comes
Fast asleep in this dangerous world	I wanna be with you
Every star was shining brightly	When tomorrow comes
Just like a million years before	I wanna be with you
And we were feeling very small	When tomorrow comes
Underneath the universe	I wanna be with you
And you know	When tomorrow comes
