In The Dark by Dev & The Cataracts On my waist through my hair

On my waist through my hair	I'm only talking to you if you wanna surf my seas
Think about it (1) you touch me there	Now that you got me boy
Close my eyes here you are	You know you better spice it
All alone (2) in the dark	Flavor it get, get it right, savor it
Tell me baby if it's wrong	Wanna see who you are
To let my hands do what they want	Got a sex drive to push the start
Late at night I pretend we are	I got a sex (7) to push the start
Dance (3) dancing in the dark	Push push push the start
Dancing in the dark	Push push push the start
Dancing in the dak	I got a sex drive to push the start
When you (4) on me	On my waist through my hair
Open my body up and do some surgery	Think (8) it when you touch me there

And see those pocket aces	Tell me baby if it's wrong
