In Love With A Girl by Gavin DeGraw

So many people gonna say that they want you	Took my sweet time when I was bitter
To try to get you thinking they really care	Someone understands
But there's nothing like the warmth of the one	And she knows how to treat a fella right
Who has put in the time	Give me that feeling every night
And you (1) he's gonna be there	Wants to make (21) when I (22) fight
Back (2) (3) when she knows	Now someone understand me
someone crossed it	I'm in love with a (23) (I'm in love with)
Don't let nobody put you down, who your with	I'm in love with a (24) (I'm in love with)
Take the pain of (4) your name	Gonna tell you what you do to think you practice
From the (5) to the cane to the high-wire	What you preach
I'm in (6) (7) a girl who (8)	Now I know there's nothing we cant reach
me better	'Cause the heart can't erase once it finds a place
Fell for the women just (9) I met her	To be warm and welcome
Took my (10) time when I was bitter	To be held in shelter
Someone understands	I'm in (25) with a girl who knows me better
And she knows how to treat a fella right	Fell for the (26) (27) when I met her
Give me that (11) every night	Took my sweet time (28) I was bitter
Wants to make love when I wanna fight	Someone understand
Now (12) understand me	And she (29) how to treat a fella right
I'm in love with a girl (I'm in love with)	Give me that feeling every night
I'm in (13) with a girl (I'm in love with)	Wants to make love when I wanna fight
	Now someone understands me
Out the many broken backdoors and windows	I'm in love with a girl (I'm in love with)
Through the valley of the love of the lost	I'm in love with a girl (I'm in love with)
Is a (14) is cut	I'm in love (30) a girl (I'm in love with)
(16) the (17) falling down	Who knows me better
From the thrones without leaving any windows	Wants to make love when I wanna fight
But you found inner (18) for the moment	Now someone understand me
The moment was (19) in time	
Then its gone the hit and run the tactless	
One has a short life	
I'm in love (20) a girl who knows me better	
Fell for the women just when I met her
