

## Fill in the gaps

When the world starts to get you down	I wanna go (6) and I (7) go far
And nothing seems to go your way	Don't ask me to explain how I feel
And the noise of the maddening crowd	'Cause I don't want to say where I'm going
Makes you feel like you're going to go insane	Turn down the noise and turn up the volume
There's a glow of a distant light	Don't (8) a choice 'cause the temperature's
Calling you to come outside	pounding
To (1) the wind on your face and your skin	If (9) this place is the last thing I do
And it's here I begin my story	That I want to escape with a (10) just like you
Turn up the radio	Buzzing around like a moth to a flame
Turn up the radio	I'm so sick and tired of playing this game
Don't ask me where I wanna go	We gotta have fun if that's all that we do
We (2) up the radio	Gotta shake up the system and break all the rules
t was time that I opened my eyes	Gotta turn up the radio until the speakers blow
'm leaving the past behind	Turn up the radio
Nothing's ever what it seems	Turn up the radio
ncluding this time and this crazy scene	Don't ask me where I wanna go
'm stuck like a moth to a flame	We gotta turn up the radio
'm so tired of playing this game	Turn up the radio
don't know how I got to this state	Turn up the radio
Let me out of my cage 'cause I'm dying	There's somethings you don't need to know
Turn up the radio	Just let me turn up the radio
Turn up the radio	Turn up the radio
Don't ask me where I wanna go	Just let me turn up the radio
We gotta (4) up the radio	Just let me turn up the radio
Turn up the radio	Turn up the radio
Turn up the radio	Just let me turn up the radio
Don't ask me (5) I wanna go	Let me turn up the radio
Turn up the radio	
just wanna get in my car
