

Fill in the gaps

You had something to hide	The time before
Should have hidden it, (1) you	Never again is (13) you swore
Now you're not satisfied	The time before
Nith what (2) (3) put through	Now you're (14) there tongue tied
t's just time to pay the price	You'd (15) (16) your
For not listening to advice	(17) well
And deciding in your youth	Hide what you have to hide
On the policy of truth	And (18) to tell
Things could be so (4) now	You'll see your problems multiplied
t used to be so civilised	If you continually decide
You will (5) (6) how	To faithfully pursue
t (7) have (8) if (9)	The policy of truth
only lied	Never again is (21) you swore
t's too late to change events	The time before
t's (10) to face the consequence	Never again is (22) you swore
For delivering the proof	The time before
n the (11) of truth	
Never again is (12) you swore
