## Heading West by Cyndi Lauper

## Fill in the gaps

I drop my hat			And if I fall down on my knees			
To a restless wind			I'm gonna get back up			
This (1) I'm not gonna chase it again			I'm gonna get back up again			
In a jigsaw dream			And I'm heading west			
With soft spoken words			Without a sad goodbye			
I woke up crying and no one heard			And I'm heading west			
You're looking through me			I'm like a (5)		(6)	no address
Like I never was real			Just like a book I read			
You say you love me			I'm heading west			
But you won't let me feel			If I fall (7)	on my k	nees	
So I'm gonna take a chance this time			I'm gonna get back up			
I'll find myself some place where I can heal			I'm gonna get back up			
And I'm (2)	_ west	And I'm heading west				
Without a sad goodbye			Without a sad goodbye			
And I'm heading west			And I'm heading west			
I'm like a (3)	with no address		I'm (8)	a letter with	n no address	
Just like a book I read			Just like a book I read			
I'm heading west			I'm (9)	wes	st	
I said my name			And I'm heading west			
Under my breath			Without a sad goodbye			
(Oh) he turned down a (	4)	road I won't	And I'm heading	west		
forget			(Oh) I'm like a letter with no address			
I'm gonna fly my kite			Just like a book I read			
And let out all the string			I'm heading west			
Hold on to hope, let go everything			And I'm heading west			
I can't stop laughing			Without a sad goodbye			
And it's nothing you said						
The altitude of freedom						
Seems to go to my head
