

Fill in the gaps

The Zephyr Song by Red Hot Chili Peppers

Can I get your hand to write on	Fly away on my Zephyr
Just a piece of lead to bite on	I (12) it more (13) ever
What am I to fly my kite on	And in this perfect weather
Do you (1) to flash your (2) on	We'll find a (14) together
Take a look its on display, for you	In the (15) where the scent of my emotion
Coming (3) no not today	All the world will pass me by
Did you meet your fortune teller	Fly away on my Zephyr
Get it off with no propellor	We'll find a place together
Do it up it's always stellar	(Whoa (16) whoa whoa whoa) do you
What a way to finally (4) her	(Yeah yeah yeah yeah yeah)
Pick it up it's not to strong, for you	(Whoa (17) whoa whoa (18) whoa)
Take a (5) and (6) it on	won't you
Fly (7) on my Zephyr	(Yeah yeah yeah yeah yeah)
I feel it more then ever	Fly away on my Zephyr
And in this perfect weather	I feel it (19) then ever
We'll (8) a (9) together	And in this (20) weather
Fly on my wing	We'll find a place together
Riddling on liberator	In the water where the scent of my emotion
Find a way to be a skater	All the (21) will pass me by
Rev it up to levitator	Fly (22) on my Zephyr
Super (10) aviator	We're gonna live forever
Take a look its on display, for you	Forever
Coming (11) no not today
