The Zephyr Song by Red Hot Chili Peppers

Can I get your hand to write on		Fly (6) on my Zephyr
Just a piece of lead to bite on		I feel it more then ever
What am I to fly my kite on		And in this perfect weather
Do you (1)	to flash your light on	We'll find a place together
Take a look its on display, for you		In the water where the scent of my emotion
Coming down no not today		All the (7) will pass me by
Did you meet your fortune teller		Fly (8) on my Zephyr
Get it off (2) no propellor		We'll find a place together
Do it up it's always stellar		(Whoa whoa (9) whoa whoa whoa) do you
What a way to (3)) smell her	(Yeah yeah yeah yeah yeah)
Pick it up it's not to strong, for you		(Whoa whoa whoa whoa whoa) won't you
Take a piece and pass it on		(Yeah yeah yeah yeah yeah)
Fly away on my Zephyr		Fly away on my Zephyr
I feel it more then ever		I feel it more then ever
And in this perfect weather		And in this perfect weather
We'll find a (4)	together	We'll find a place together
Fly on my wing		In the water where the scent of my emotion
Riddling on liberator		All the world will pass me by
Find a way to be a skater		Fly (10) on my Zephyr
Rev it up to levitator		We're gonna live forever
Super mainly aviator		Forever
Take a (5) its on display, for you		
Coming down no not today
