

And we're writing and saying

Fill in the gaps

Written in graffiti on a bridge in a park	Don't let em take control
Do you (1) get the feeling	No we won't let em (5) control
That you're missing the mark?	Yes I feel a little bit nervous
t's so cold, it's so cold	Yes I feel nervous and I cannot relax
t's so cold, it's so cold	How (6) they're out to get us
Written up in marker on a factory sign	How come they're out
(2) with the feeling	When they don't know the facts
That my life isn't mine	So on a (7) canvas (8)
t's so cold, it's so cold	cover of dark
t's so cold, it's so cold	On a concrete canvas I'll go making my mark
See the arrow they shot	Armed with a spraycan soul
Trying to tear us apart	I'll be armed with a spraycan soul
Take the fire (3) my belly	And you
And the beat from my heart	'Cause you use your heart as a weapon
Still I won't let go	And it hurts like heaven
Still I won't let go	(Woah oh oh, woah oh oh)
Of you	Yeah it's true
Cause you do	When you
(Oh) you use your heart as a weapon	Use your heart as a weapon
And it hurts like heaven	Then it (9) (10) heaven
On (4) street every car every surface a name	And it hurts
Tonight the streets are ours
