It starts in my toes	Just take your time
And I crinkle my nose	Wherever you go
Wherever it (5) I (6) know	
That you (7) me smile	I've been asleep for a while now
Please stay for a while now	You (21) me in (22) like a

Wherever you go	'Cause every time you hold me in (24) arms
The rain is (8) on my (9)	I'm comfortable enough to feel (25) warmth

But we are (10) in a safer place	And I lose all control
