

## Fill in the gaps

You think that we connect	Now it's gone to deep
That the chemistry's correct	You wake me in my sleep
Your (1) walk right through my ears	My dreams become nightmares
Presuming I (2) what I hear	'Cause you're ringing in my ears
And now I'm stuck in the	Sorry I'm not home right now
The web you're spinning	I'm walking into spiderwebs
You've got me for you prey	So leave a message
Sorry I'm not (3) right now	And I'll (15) you back
I'm walking into spiderwebs	A (16) story, but leave a message
So leave a message	And I'll call you back
And I'll call you back	And it's all (17) fault
A likely story, but (4) a message	I screen my phone calls
And I'll call you back	No matter who calls
You're (5) on what's mine	I (18) screen my phone calls
And you're taking up my time	(Ooh) spiderwebs so
Don't (6) the (7) inside me	Leave a message and I'll call you back
To tell you, "Please let me be"	I'm walkin into spiderwebs
Communication, a telephonic invasion	Leave a message and I'll (19) you back
I'm planning my escape	It's all your fault
Sorry I'm not home right now	I screen my phone calls
I'm (8) into spiderwebs	No matter who calls, no (20) who calls
So (9) a message	I'm (21) spiderwebs
And I'll call you back	Leave a message and I'll call you back
A (10) story, but (Yeah) (11) a	I'm (23) into spiderwebs
message	Leave a (24) and I'll (25) you
And I'll call you back	back
And it's all your fault	
I screen my phone calls	
No (12) who calls	
I gotta (13) my (14) calls
