

Fill in the gaps

We all got lonely days	Now that I'm over you and I'm sober too
Gets stuck in a phase	I can finally feel alive
I can see the sun is (1) bright	But I won't give you my heart
Right on through the haze	'Cause it don't break twice
I (2) and say	Just to let you know, let you know
Is this (3) my life	And if you play the part
Now (4) I'm over you and I'm sober too	And play it (15) nice
I can finally feel alive	Maybe I'll let go
But I won't (5) you my heart	I'll let go
'Cause it don't (6) twice	I'm sure you'll tell me anything under the sun
Just to let you know, let you know	Like how you think
And if you play the part	I'm special and the only one
And play it real nice	'Cause normally I'd probably just get up and run
Maybe I'll let go	But you're looking so damn (16) to me
I'll let go	(17) the sun
I'm sure you'll (7) me anything under the sun	Well do ya get, do ya get what I need
Like how you think	(Na na na nah na na)
I'm special and the (8) one	Could you show me something (18) I want to see
'Cause normally I'd probably (9) get up and run	(Na na na nah na na)
But you're looking so damn good to me under the sun	And (19) you can get underneath
	(Na na na nah na na)
Under the sun	If you (20) the sun go down on me
	(Na na na nah na na) go down on me
Are we on the (10) page	I'm sure you'll tell me anything under the sun
Don't (11) to play	Like how you think
All (12) to get	I'm (21) and the (22) one
a little	'Cause normally I'd probably (23) get up and run
Feel the sunshine on my face	But you're looking so damn good to me under the sun
And I got paid today
