

Fill in the gaps

We all got lonely days	Now that I'm over you and I'm sober too
Gets stuck in a phase	I can finally feel alive
can see the sun is shining bright	But I won't give you my heart
Right on through the haze	'Cause it don't (4) twice
complain and say	Just to let you know, let you know
s this really my life	And if you play the part
Now that I'm over you and I'm sober too	And play it real nice
can finally feel alive	Maybe I'll let go
But I won't give you my heart	I'll let go
Cause it don't break twice	I'm sure you'll tell me anything under the sun
Just to let you know, let you know	Like how you think
And if you play the part	I'm special and the (5) one
And (1) it real nice	'Cause normally I'd (6) (7) get
Maybe I'll let go	up and run
'Il let go	But you're looking so damn good to me under the sun
'm sure you'll tell me anything under the sun	Well do ya get, do ya get what I need
Like how you think	(Na na na nah na na)
'm special and the only one	Could you show me something that I want to see
Cause normally I'd probably just get up and run	(Na na na nah na na)
But you're looking so damn good to me under the sun	And maybe you can get underneath
	(Na na na nah na na)
Jnder the sun	If you watch the sun go (8) on me
	(Na na na nah na na) go down on me
Are we on the same page	I'm sure you'll tell me anything under the sun
Don't need to play	Like how you think
All these games (2) to get a little	I'm (9) and the only one
Feel the (3) on my face	'Cause normally I'd probably just get up and run
And I got paid today	But you're looking so damn good to me under the sun
s this really my life
