

Fill in the gaps

Aye, aye, aye
Is it time, green light
Egotistic battle cry
I was right, you was wrong
Called you out, finished strong
Whiskey sour lemonade, fence's up my barricade
I had heart, you had spades
I could see the color in your face as it fades
That's how it is, ain't no riddle
Crunchy on the edge but soft in the middle
I got a lot, you got a little
I'ma play war drums, you play the fiddle
Do it real slow, (1) on the bow
Everybody's sad when they miss a free throw
Lost your control, I'm on a roll
Right all along and I knew it in my soul
I told you so
Don't want to brag but you already (2) (oh)
I told you so
Don't want to brag but you already know
