

I Told You So by Karmin

Aye, aye, aye
Is it time, (1)_____ light
Egotistic battle cry
I was right, you was wrong
Called you out, finished strong
Whiskey sour lemonade, fence's up my barricade
I had heart, you had spades
I (2)_____ see the color in your face as it fades
That's how it is, ain't no riddle
Crunchy on the (3)_____ but soft in the middle
I got a lot, you got a little
I'ma play war drums, you play the fiddle
Do it real slow, lean on the bow
Everybody's sad when they miss a free throw
Lost your control, I'm on a roll
Right all along and I knew it in my soul
I told you so
Don't want to brag but you already (4)_____ (oh)
I told you so
Don't want to brag but you already know
You already know
I told you, I told you, I (5)_____ you so (oh)
I told you, I told you, I told you so (oh)
Feels so good, doesn't it?
Winning while they flubbin' it
I was right, you was wrong
Figured I'd write it in a hip hop song
Was it so hard to believe?
I could make it being me?
Drank too much Ouzo
My gosh, you know
People say a lot of things, make you feel real small
Push them out the way, iced latte, tall
I don't really care, I'm not really there
Caffeinated up to my eyes, I swear
I'm on the top, you on the flop
Going so long and I'm never (6)_____ stop
Lost your control, I'm on a roll
Right all along and I knew it in my soul
I told you so
Don't want to brag but you already know (oh)

Bottle in my hand, pour a (8)_____ on the ground
