

## Fill in the gaps

Aye, aye, aye
Is it time, green light
Egotistic battle cry
I was right, you was wrong
Called you out, finished strong
Whiskey sour lemonade, fence's up my barricade
I had heart, you had spades
I could see the color in your (1) as it fades
That's how it is, ain't no riddle
Crunchy on the edge but soft in the middle
I got a lot, you got a little
I'ma play war drums, you (2) the fiddle
Do it real slow, lean on the bow
Everybody's sad (3) they miss a free throw
Lost your control, I'm on a roll
Right all along and I knew it in my soul
I told you so
Don't want to brag but you already know (oh)
I told you so
Don't want to brag but you already know
You (4) know
I told you, I told you, I told you so (oh)
I told you, I told you, I told you so (oh)
Feels so good, doesn't it?
Winning while they flubbin' it
I was right, you was wrong
Figured I'd write it in a hip hop song
Was it so hard to believe?
I could make it being me?
Drank too much Ouzo
My gosh, you know
People say a lot of things, make you feel real small
Push them out the way, iced latte, tall
I don't really care, I'm not (5) there
Caffeinated up to my eyes, I swear
I'm on the top, you on the flop
Going so long and I'm never gonna stop
Lost your control, I'm on a roll
Right all along and I knew it in my soul
raight an along and rainow it in my sour

Don't want to brag but you already know (oh)
