

Fill in the gaps

Aye, aye, aye	I told you so
Is it time, green light	Don't want to brag but you already know
Egotistic battle cry	You already know
I was right, you was wrong	I told you, I told you, I told you so (oh)
Called you out, finished strong	I told you, I told you, I told you so (oh)
Whiskey sour lemonade, fence's up my barricade	Look at me now, fifteen rounds
I had heart, you had spades	Bottle in my hand, pour a little on the ground
I could see the color in your face as it fades	Next time you (8) talk trash, I'ma put it on blast
That's how it is, ain't no riddle	You can get it if you ask for it
Crunchy on the edge but soft in the middle	Put it in the middle finger for the fat
I got a lot, you got a little	Ladies hangin' out
I'ma play war drums, you play the fiddle	Shatter up you glass house (oops neehow)
Do it (1) slow, (2) on the bow	Meanwhile, I smile
Everybody's sad when they miss a free throw	Then I go, animal style
Lost (3) control, I'm on a roll	I be racking' up (9) million
Right all along and I knew it in my soul	Making me another killin'
I told you so	Superwoman on the top dollar billin'
Don't want to brag but you already (4) (oh)	(Yeah) I muster up a lot of feelings
I told you so	Tell me what you really (10) about it
Don't want to brag but you already know	Kiddin', I don't even care
You already know	Nobody listens to a fools gold coated hater
I told you, I told you, I told you so (oh)	Be a baller not a traitor please
I told you, I (5) you, I told you so (oh)	Hand on my knees
Feels so good, doesn't it?	Talk to you later, then I'm gonna
Winning while they flubbin' it	(Whoop) there it go!
I was right, you was wrong	Right all along and I knew it in my soul
Figured I'd write it in a hip hop song	I told you so (I told you so)
Was it so hard to believe?	Don't want to brag but you already know (oh)
I could make it being me?	I told you so (I told you so)
Drank too much Ouzo	Don't want to brag but you already know
My gosh, you know	You already know
People say a lot of things, make you (6) real small	I told you so
Push them out the way, iced latte, tall	Don't want to brag but you already know (oh)
I don't really care, I'm not really there	I told you so (I told you so)
Caffeinated up to my eyes, I swear	Don't want to brag but you already know
I'm on the top, you on the flop	You already know
Going so long and I'm never (7) stop	I told you, I told you, I told you so (oh)
Lost your control, I'm on a roll	I told you, I told you, I told you so (oh)
Right all along and I knew it in my soul	
I told you so	
Don't want to brag but you already know (oh)
