Want U Back by Cher Lloyd

Fill in the gaps

Hey, boy you (1) had much game	I (16) you back
So I needed to upgrade	I want you back
So I went and walked away way way	Wa-want you, (17) you back
Now, I see you've been hanging out	I broke it off thinking you'd be cryin'
With (2) other girl in town	Now I feel like shh looking at you flyin'
Looking like a pair of clowns clowns clowns	I (18) you back
Remember all the things that you and I did first?	I want you back
And now you're (3) them with her	Wa-want you, want you back
Remember all the (4) that you and I did first?	(Ohhh) I thought you'd still be mine
You got me, got me like this	When I kissed you goodbye (uh oh uh oh)
And now you're taking her to every restaurant	(Ohhh) and you might be with her
And everywhere we went, come on!	But I still had you first (uh oh uh oh)
And now you're taking her to every restaurant	Remember all the things that you and I did first?
You got me, got me (5) this	And now you're doing them with her
Boy you can say anything you want	Remember all the things that you and I did first?
I don't give a shh, no one (6) can (7) ya	Remember all the things that you and I did first?
I (8) you back	And now you're doing them with her
I want you back	Remember all the (19) you
Wa-want you, want you back	and I did first?
I (9) it off thinking you'd be cryin'	You got me, got me like this
Now I (10) like shh looking at you flyin'	Boy you can say anything you want
I want you back	I don't give a shh, no one else can have ya
I (11) you back	I want you back
Wa-want you, want you back	I want you back
Please, this ain't (12) jealousy	Wa-want you, want you back
She ain't got a thing on me	I (21) it off thinking you'd be cryin'
Tryin' to rock them ugly jeans jeans jeans	Now I (22) like shh looking at you flyin'
You clearly didn't think this through	I want you back
If what I've been told is true	I want you back
You'll be crawling back like boo hoo hoo	Wa-want you, want you back
Remember all the things that you and I did first?	I want you back
And now you're (13) them with her	I want you back
Remember all the (14) that you and I did first?	I want you back
You got me, got me like this	Wa-want you, want you back
And now you're (15) her to every restaurant	Yeah, yeah (Ooh)
And everywhere we went, come on!	I (23) you back
And now you're taking her to every restaurant	I want you back
You got me, got me like this	Wa-want you, want you back
Boy you can say anything you want	Do I (24) (25) a helicopter?
I don't give a shh, no one else can have ya
