Fall For You by Secondhand Serenade

The best thing about tonight's that we're not fighting	Because a girl like you is impossible to find
Could it be that we have been this way before	It's impossible
I know you don't (1) that I am trying	So breathe in so deep
I know you're wearing (2) down to the core	Breathe me in
But hold your breathe	I'm yours to keep
Because tonight will be the night that I will fall for you	And hold (7) your words
Over again	Cuz talk is cheap
Don't make me change my mind	And remember me tonight
Or I (3) to see another day	When your asleep
I swear it's true	Because tonight will be the night that I will fall for you
Because a girl like you is impossible to find	Over again
Your impossible to find	Don't make me change my mind
This is not what I intended	Or I wont live to see another day
I always swore to you i'd never fall apart	I (8) it's true
You always thought that I was stronger	Because a (9) like you is impossible to find
I may of failed	Tonight will be the night that I will fall for you
But I have loved you (5) the start	Over again
Ohhhh	Don't make me change my mind
But hold your breathe	Or I wont live to see another day
Because tonight will be the night that I will (6) for	I swear it's true
you	Because a girl like you is impossible to find
Over again	Your impossible to find
Don't make me change my mind	
Or I wont live to see another day
