

Fill in the gaps

I fall asleep by the telephone	And don't waste your breath because it's too late
It's two o'clock and I'm waiting up alone	It's too late
Tell me where have you been	You can (6) me that there's (7)
I found a note with another name	else
You blow a kiss but it just don't feel the same	(But I feel it)
'Cause I can feel that you're gone	You can tell me that you're home by yourself
I can't bite my tongue forever	(But I see it)
While you try to play it cool	You can look into my eyes and pretend all you want
You can (1) behind your story	But I know I know
But don't take me for a fool	Your love is just a lie! (lie!)
You can tell me that there's nobody else	Lie! (lie!)
(But I (2) it)	It's nothing but a lie! (lie!)
You can tell me that you're home by yourself	Lie! (lie!)
(But I see it)	You're nothing but a lie!
You can look into my eyes and pretend all you want	You can tell me that there's nobody else
But I know I know	(But I feel it)
Your love is just a lie! (lie! lie!)	You can (8) me (9) you're home by
It's nothing but a lie! (lie! lie!)	yourself
You look so innocent	(But I see it)
But the guilt in your voice gives you away	You can look into my (10) and pretend all you want
Yeah, you know what I mean	But I know I know
How does it (3) when you kiss	Your love is just a lie!
When you know that I trust you?	I know you're nothing but a lie! (lie!)
And do you (4) about me	Lie! (lie!)
When he touches you?	You're nothing but a lie! (lie!)
Could you be more obscene? (be more obscene?)	Lie! (lie!)
So don't try to say you're sorry	Your love is just a lie!
Or try to (5) it right
