Something More by Secondhand Serenade

I lie awake again, my bodies feeling paralysed		There must be something more,		
I cant remember when		Do we know what were fighting for?		
I didnt live (1)	this disguise	Breathe in breathe out		
The words you said to me		And all these masks we wore		
They couldnt set me free		We never (5)	what we had in st	ore
Im stuck here in this life i didnt ask for		Breathe in breathe out		
There must be something more,		I fooled everyone and now what will i become?		
Do we know what were fighting for?		I have to start (6) over		
Breathe in breathe out		I have to start this over		
And all (2) masks we wore		There must be (7)		more,
We never knew what we had in store		Do we know what were fighting for?		
Breathe in (3) out		Breathe in breathe out		
The storm is rolling in		And all these masks we wore		
The thunders loud it hurts my ears		We never knew what we had in store		
Im paying for my sins		Breathe in breathe out		
And its gunna rain for years and years		There must be something more		
I (4) everyone a	nd now what will i become?	Breathe in breathe out		
I have to start this over		There must be (8)		(9)
