

Fill in the gaps

Something More by Secondhand Serenade

Tile awake again, my (1) feeling paralysed	There must be something more,
I cant (2) when	Do we (14) (15) were
I didnt live (3) this disguise	(16) for?
The words you said to me	Breathe in (17) out
They couldnt set me free	And all these masks we wore
Im (4) here in this life i didnt ask for	We (18) knew what we had in store
There (5) be something more,	Breathe in breathe out
Do we (6) what were fighting for?	I fooled everyone and now (19) will i become?
Breathe in breathe out	I have to start (20) over
And all these masks we wore	I (21) to start this over
We never knew what we had in store	There must be something more,
Breathe in (7) out	Do we know (22) were fighting for?
The storm is rolling in	Breathe in (23) out
The thunders loud it (8) my ears	And all these masks we wore
Im paying for my sins	We never (24) (25) we had in store
And its gunna rain for (9) and years	Breathe in breathe out
I (10) and now	There (26) be something more
(12) will i become?	Breathe in (27) out
I have to start this over	There (28) be (29) more
I (13) to start this over
