

Fill in the gaps

	You take my hand and drag me head first
There's something about the way	Fearless
The street looks when it's just rained	And I don't know why but with you I'd dance
There's a glow off the pavement	In a storm in my best dress
You walk me to the car	Fearless
And you know I wanna ask you to (1) right there	Well you stood there with me in the doorway
In the middle of the parking lot	My hands shake
(Yeah)	I'm not usually this way but
We're driving down the road	You pull me in and I'm a little more brave
I wonder if you know	It's the first kiss, it's flawless, really something
I'm trying so hard not to get caught up now	It's fearless
But you're just so cool	'Cause I don't (5) how it gets better than this
Run (2) hands through your hair	You take my hand and drag me head first
Absent mindedly making me want you	Fearless
And I don't know how it gets better than this	And I don't know why but with you I'd dance
You take my hand and drag me head first	In a storm in my best dress
Fearless	Fearless
And I don't know why but with you I'd dance	'Cause I don't (6) how it (7) better that
In a storm in my best dress	this
Fearless	You take my hand and (8) me (9) first
So baby drive slow	Fearless
Till we run out of road in this one horse town	And I don't know why but with you I'd dance
I wanna (3) right here in this passenger's seat	In a (10) in my best dress
You put your eyes on me	Fearless
In this moment now captured, remembered	
Cause I don't (4) how it gets better than this
