

Fill in the gaps

	You take my hand and drag me head first
There's something about the way	Fearless
The (1) looks when it's just rained	And I don't know why but with you I'd dance
There's a glow off the pavement	In a storm in my best dress
You walk me to the car	Fearless
And you (2) I wanna ask you to (3)	Well you (15) (16) with me in the
right there	doorway
In the middle of the (4) lot	My hands shake
(Yeah)	I'm not usually this way but
We're (5) down the road	You pull me in and I'm a little (17) brave
I (6) if you know	It's the first kiss, it's flawless, really something
I'm trying so (7) not to get caught up now	It's fearless
But you're (8) so cool	'Cause I don't know how it (18) better than this
Run your hands through your hair	You (19) my hand and drag me head first
Absent mindedly making me want you	Fearless
And I don't know how it (9) better than this	And I don't know why but with you (20) dance
You take my hand and drag me head first	In a storm in my best dress
Fearless	Fearless
And I don't know why but with you I'd dance	'Cause I don't know how it gets better than this
In a (10) in my best dress	You (21) my hand and (22) me head
Fearless	first
So baby drive slow	Fearless
Till we run out of road in this one horse town	And I don't (23) why but (24) you I'd
I (11) stay right here in this passenger's seat	dance
You put your (12) on me	In a storm in my (25) dress
In (13) moment now captured, remembered	Fearless
Cause I don't know how it gets (14) than this	

1. street
