Blow Me (One Last Kiss) by P!nk

I think I maybe think too much

Fill in the gaps

White knuckles		I think this might be it for us
And sweaty palms from (1)_	on too tight	Blow me one last kiss
Clench your jaw		You think I'm just too serious
I've got (2)	headache again tonight	I think you're full of shit
Eyes on fire, eyes on fire		My head is spinning, so
And they (3) from all the tears		Blow me one (5) kiss
I've been crying, I've been crying		Just when it can't get worse
I've been dying over you		I've had a shit day
Tie a knot in the rope		You've had a shit day
Trying to hold, trying to hold		We've had a (6) day
But there's nothing to grab		I think that life's too short for this
So I let go		Want back my ignorance and bliss
I think I've finally had enough		I think I've had enough of this
I think I maybe think too much		Blow me one last kiss
I think this might be it for us		Blow me one last kiss
Blow me one last kiss		I will do what I please
You think I'm just too serious		Anything that I want
I (4) you're full of shit		I (7) breathe, I will breathe
My head is spinning, so		I won't worry at all
Blow me one last kiss		You will pay for your sins
Just when it can't get worse		You'll be sorry, my dear
I've had a shit day		All the lies, all the wise
You've had a shit day		Will be (8) clear
We've had a shit day		I think I've finally had enough
I think that life's too short for this		I think I maybe think too much
Want back my ignorance and bliss		I think this might be it for us
I think I've had enough of this		Blow me one last kiss
Blow me one last kiss		You think I'm just too serious
I won't miss all of the fighting		I think you're full of shit
That we always did		My head is spinning, so
Take it in		Blow me one last kiss
I mean what I say		Just when it can't get worse
When I say there is nothing left		I've had a shit day
No more sick whiskey dick		You've had a shit day
No more battles from me		We've had a shit day
You'll be calling a trick		I think (9) life's too short for this
'Cause you no longer sleep		Want back my ignorance and bliss
I'll dress nice, I'll look good		I think I've had enough of this
I'll go dancing alone		Blow me one last kiss
I will laugh, I'll get drunk		Blow me one last kiss
I'll take somebody home		Blow me one (10) kiss
I think I've finally had enough
