Blow Me (One Last Kiss) by P!nk

Fill in the gaps

White knuckles	I think this might be it for us
And (1) palms from hanging on too tight	Blow me one last kiss
Clench your jaw	You think I'm just too serious
I've got another headache again tonight	I think you're full of shit
Eyes on fire, eyes on fire	My head is spinning, so
And they burn from all the tears	Blow me one last kiss
I've been crying, I've been crying	Just when it can't get worse
I've been dying over you	I've had a shit day
Tie a knot in the rope	You've had a shit day
Trying to hold, trying to hold	We've had a shit day
But there's nothing to grab	I think that life's too short for this
So I let go	Want back my ignorance and bliss
I think I've finally had enough	I think I've had enough of this
I think I maybe think too much	Blow me one last kiss
I think this might be it for us	Blow me one last kiss
Blow me one (2) kiss	I will do what I please
You think I'm just too serious	Anything that I want
I (3) you're full of shit	I will breathe, I will breathe
My head is spinning, so	I won't worry at all
Blow me one last kiss	You will pay for your sins
Just when it can't get worse	You'll be sorry, my dear
I've had a shit day	All the lies, all the wise
You've had a (4) day	Will be crystal clear
We've had a shit day	I think I've finally had enough
I think that life's too short for this	I think I maybe think too much
Want back my ignorance and bliss	I think this might be it for us
I think I've had enough of this	Blow me one last kiss
Blow me one last kiss	You (7) I'm just too serious
I won't miss all of the fighting	I think you're full of shit
That we always did	My head is spinning, so
Take it in	Blow me one last kiss
I (5) what I say	Just when it can't get worse
When I say there is nothing left	I've had a shit day
No more sick whiskey dick	You've had a shit day
No more (6) from me	We've had a shit day
You'll be calling a trick	I think that life's too short for this
'Cause you no longer sleep	Want back my ignorance and bliss
I'll dress nice, I'll look good	I think I've had enough of this
I'll go dancing alone	Blow me one last kiss
I will laugh, I'll get drunk	Blow me one last kiss
I'll take somebody home	Blow me one last kiss
I think I've finally had enough	
I think I maybe think too much
