

## Fill in the gaps

If I could find assurance
To (1) you behind
I know my better (2) would fade
And all my doubt
Is a staircase for you
Opened out of this space
The first step is the one you believe in
The second one might be profound
I'll follow you down
Through the eye of the storm
Don't (3) I'll (4) you warm
I'll follow you down
While we're passing through space
I don't care if we fall from grace
I'll follow you down
You can (5) the money and the world
The angels and the pearls
Even (6) the color blue
Just like the tower we never built
In the shadow of all the guilt
When the other hand was pointed at you
Yeah the first (7) is the one you believe in
And the second one might be profound
I'll follow you down
Through the eye of the storm

Don't worry I'll keep you warm	
I'll follow you down	
While we're passing through space	
I don't care if we fall from grace	
I'll follow you down to where (8)	lies
Without a doubt I'm on your side	
There's nowhere else that I (9)	rather be
I'm not (10) to compromise	
Give you up to say goodbye	
I'll guide you through the deep	
I'll keep you close to me	
I'll follow you down	
Through the eye of the storm	
Don't worry I'll keep you warm	
I'll follow you down	
While we're passing through space	
I don't care if we fall from grace	
I'll follow you	
If I could find assurance	
To leave you behind	
I know my better half would fade	
I'll follow you down	

- 1. leave
- 2. half
- 3. worry
- 4. keep
- 5. have
- 6. trademark
- 7. step
- 8. forever
- 9. would
- 10. about
