If I could find assurance	Don't (15) I'll keep you warm
To leave you behind	l'll (16) you down
I know my (1) half (2) fade	While we're (17) through space
And all my doubt	I don't care if we (18) from grace
Is a staircase for you	I'll (19) you down to where
Opened out of (3) space	(20) lies
The (4) is the one you believe in	Without a doubt I'm on your side
The second one (6) be profound	There's nowhere else (21) I (22)
I'll (7) you down	rather be
Through the eye of the storm	I'm not (23) to compromise
Don't worry I'll (8) you warm	Give you up to say goodbye
l'II (9) you down	I'll guide you through the deep
While we're passing (10) space	I'll keep you close to me
I don't care if we fall (11) grace	I'll follow you down
I'll follow you down	Through the eye of the storm
You can have the (12) and the world	Don't worry I'll keep you warm
The (13) and the pearls	I'll follow you down
Even trademark the color blue	While we're passing through space
Just like the tower we never built	I don't (24) if we fall from grace
In the shadow of all the guilt	I'll follow you
When the other hand was pointed at you	If I (25) find assurance
Yeah the first step is the one you believe in	To leave you behind
And the second one (14) be profound	I know my better half (26) fade
I'll follow you down	I'll follow you down
Through the eye of the storm
