## As Long As You Love Me by Justin Bieber & Big Sean

	Give me a time and place
As long as you (1) me	I'll rendezvous it
As long as you love me	I'll fly you to it
As long as you love me	I'll beat you there
We're under pressure	Girl, you know I got you
Seven (2) people in the world	Us, trust, a couple things I can't spell without you
Trying to fit in	Now we on top of the world
Keep it together	'Cause that's just how we do
Smile on your face	Used to tell me sky's the limit
Even though your heart is frowning	Now the sky's our (6) of view
But hey now, don't know girl	Man, we stepping out like (whoa oh God)
We both know it's a cruel world	Cameras (7) and shoot
But I will take my chances	Ask me what's my best side?
As long as you love me	I stand back and point at you, you
We could be starving	You the one that I argue with
We could be homeless	Feel like I need a new girl to be bothered with
We (3) be broke	But, the grass ain't always greener
As long as you (4) me	On the other side
I'll be your platinum	It's green where you water it
I'll be your silver	So I know, we got issues
I'll be your gold	Baby, true, true
As long as you love	But I'd rather work on this with you
Love me, love me	Than to go ahead and start with someone new
As long as you love	As long as you love me
Love me, love me	We could be starving
I'll be your soldier	We could be homeless
Fighting every second of the day	We could be broke
For your dreams, girl	As long as you love me
I'll be your whole world	I'll be your platinum
You can be my Destiny's Child on a scene, girl	I'll be (8) silver
So don't stress, don't cry	I'll be your gold
We don't need no wings to fly	As long as you love (oh, oh, oh)
Just take my hand	Love me
As (5) as you love me	As long as you love (oh, oh, oh)
We could be starving	Love me
We could be homeless	As long as you love
We could be broke	I'll be your silver
As long as you love me	I'll be your gold
I'll be your platinum	(Love me)
I'll be your silver	As long as you love, love me, love me
I'll be your gold	
As long as you love	As long as you love me
Love me, love me	As long as you love me
As long as you love	
Love me. love me ( whoa. Young G)
