

Nothing to do

Fill in the gaps

You know I'm not one	I've nothing to give
To break promises	I must leave (12) you
I don't (1) to (2) you	You know we're headed (13) ways
But I need to breathe	And it feels (14) I am
At the end of it all	Just too close to love you
You're (3) my (4) friend	There's nothing I can really say
But there's (5) inside	I can't lie no more
That I need to release	I can't (15) no more
Which way is right	Got to be (16) to myself
Which way is wrong	And it feels like I am
How do I say (6) I (7) to (8)	Just too (17) to love you
on	So I'll be on my way
You (9) we're headed (10)	So I'll be on my way
ways	And it feels like I am
And it feels like I am	Just too (18) to (19) you
Just too close to love you	There's nothing that I can (20) say
There's nothing I can really say	I can't lie no more
I can't lie no more	I can't hide no more
I can't hide no more	Got to be true to myself
Got to be true to myself	And it (21) (22) I am
And it feels like I am	Just too (23) to love you
Just too close to love you	So I'll be on my way
So I'll be on my way	So I'll be on my way
You've given me more	So I'll be on my way
Than I can return	
Yet there's oh so (11) that you deserve	
There's nothing to say
