

## Fill in the gaps

You know I'm not one			
To break promises			
I don't want to hurt you			
But I need to breathe			
At the end of it all			
You're still my best friend			
But there's something inside			
That I need to release			
Which way is right			
Which way is wrong			
How do I say that I need to move on			
You know we're headed separate ways			
And it (1) like I am			
Just too close to love you			
Just too close to love you  There's (2) I can really say			
-			
There's (2) I can really say			
There's (2) I can really say I can't lie no more			
There's (2) I can really say I can't lie no more I can't (3) no more			
There's (2) I can really say I can't lie no more I can't (3) no more Got to be true to myself			
There's (2) I can really say I can't lie no more I can't (3) no more Got to be true to myself And it feels like I am			
There's (2) I can really say I can't lie no more I can't (3) no more Got to be true to myself And it feels like I am Just too close to love you			
There's (2) I can really say I can't lie no more I can't (3) no more Got to be true to myself And it feels like I am Just too close to love you So I'll be on my way			
There's (2) I can really say I can't lie no more I can't (3) no more Got to be true to myself And it feels like I am Just too close to love you So I'll be on my way You've given me more			
There's (2) I can really say I can't lie no more I can't (3) no more Got to be true to myself And it feels like I am Just too close to love you So I'll be on my way You've given me more Than I can return
