We Are Never Ever Getting Back Together by Taylor Swift

I remember when we broke up the first time	You go talk to your friends
Saying "This is it, I've had enough."	Talk to my friends (4) to me
'Cause like we hadn't seen (1) other in a month	But we are never ever ever
When you said you needed space, what?	Getting back together
Then you come around to say	(Ooh yeah)
"Baby, I miss you I swear I'm gonna change"	(Ooh yeah)
Trust me	(Ooh yeah)
Remember how (2) lasted for a day	(Oh)
I say "I (3) you," we break up	I used to think that we were forever, ever ever
You call me, I love you	And I used to say never say never
(Ooh) We called it of again last night	So he calls me up and says "I still love you"
But (ooh)	And I'm like I mean, this is exhausting, you know?
This time I'm telling you telling you	We are never getting back together
We are never ever getting back together!	Like ever
We are never ever getting back together!	No, we are never ever ever getting back together
You go talk to your friends	We are never ever getting back together
Talk to my friends, talk to me	You go talk to your friends
But we are never ever ever ever	Talk to my (5) talk to me
Getting back together	But we are never ever (6) ever
Like ever	Getting back together
I'm really gonna miss you picking fights	We (ooh) getting (7) together
And me falling forward screaming that I'm right	We (ooh, oh) getting back together
And you hiding away to find your piece of mind	Yeah, you go talk to your friends
With some	Talk to my (8) talk to me
Indie Record that is much cooler than mine	Talk to me, but we
(Ooh) you called me up again tonight	Are never (9) ever ever
But (ooh)	Getting back together
