SUB inglés

We are never ever ever getting back together

Fill in the gaps

We Are Never Ever Getting Back Together by Taylor Swift

I remember when we broke up the first time	You go talk to your friends
Saying "This is it, I've had enough."	Talk to my friends talk to me
'Cause like we hadn't seen each other in a month	But we are never ever ever
When you said you needed space, what?	Getting back together
Then you come (1) to say	(Ooh yeah)
"Baby, I miss you I swear I'm gonna change"	(Ooh yeah)
Trust me	(Ooh yeah)
Remember how that lasted for a day	(Oh)
I say "I hate you," we break up	I (8) to think that we were forever, ever ever
You call me, I love you	And I used to say never say never
(Ooh) We (2) it of again last night	So he calls me up and says "I still love you"
But (ooh)	And I'm like I mean, this is exhausting, you know?
This time I'm telling you telling you	We are never getting back together
We are never ever getting back together!	Like ever
We are never ever getting back together!	No, we are never (9) ever getting back together
You go talk to (3) friends	We are never ever getting back together
Talk to my friends, (4) to me	You go talk to your friends
But we are never ever ever	Talk to my friends talk to me
Getting (5) together	But we are (10) ever ever ever
Like ever	Getting back together
I'm really gonna miss you picking fights	We (ooh) getting back together
And me falling forward screaming that I'm right	We (ooh, oh) getting back together
And you hiding away to find your piece of mind	Yeah, you go talk to your friends
With some	Talk to my friends talk to me
Indie Record that is much cooler than mine	Talk to me, but we
(Ooh) you called me up again tonight	Are never ever ever
But (ooh)	Getting back together
This time I'm telling you I'm telling you	
We are (6) ever ever getting (7)	
together	

- 1. around
- 2. called
- 3. your
