

Fill in the gaps

Stay alone in my room
Every moment passing too soon
Watch the candles burn (1) the night
Fall into a dream
Wake up and everything's the same
A second older but alone just like a child
If you just give me a sign
To live and not to die
Then I could see a little light
I could find some piece of mind
I don't know where you are
Maybe near or maybe far
I just need a little light
Hear a clock ticking
On a life that could have meaning
If I could find the love light in your eyes
See a million people
Everyone's so lonely
But we don't have to be (2) tonight

Then I could see a little light
could find some piece of mind
I don't know where you are
Maybe near or maybe far
l just (3) a little light
If I could see a (4) light
If I could find (5) piece of mind
If you just give me a sign
(6) see a little light
I don't know where you are
Maybe (7) or maybe far
could see a little light
If I (8) see a little light
could see a little light
Stay alone in my room
Every moment passing too soon
Watch the (9) burn into the night
