

Fill in the gaps

Where is the moment we needed the most
You kick up the leaves and the magic is lost
You tell me your blue skies fade to grey
You tell me your passion's gone away
And I don't need no carrying on
You stand in the line just to hit a new low
You're faking a smile with the coffee to go
You tell me your life's been way off line
You're falling to pieces everytime
And I don't need no carrying on
Because you had a bad day
You're (1) one down
You sing a sad (2) just to turn it around
You say you don't know
You (3) me don't lie
You (4) at a smile and you go for a ride
You (4) at a smile and you go for a ride You had a bad day
You had a bad day
You had a bad day The camera don't lie
You had a bad day The camera don't lie You're coming back down and you really don't mind
You had a bad day The camera don't lie You're coming back down and you really don't mind You had a bad day
You had a bad day The camera don't lie You're coming back down and you really don't mind You had a bad day You had a bad day
You had a bad day The camera don't lie You're coming back down and you really don't mind You had a bad day You had a bad day You need a blue sky holiday
You had a bad day The camera don't lie You're coming back down and you really don't mind You had a bad day You had a bad day You need a blue sky holiday The point is (5) laugh at what you say
You had a bad day The camera don't lie You're coming back down and you really don't mind You had a bad day You had a bad day You need a blue sky holiday The point is (5) laugh at what you say And I don't need no carrying on
You had a bad day The camera don't lie You're coming back down and you really don't mind You had a bad day You had a bad day You need a blue sky holiday The point is (5) laugh at what you say And I don't need no carrying on You had a bad day

You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
The (7) don't lie
You're coming back down and you really don't mind
You had a bad day
(Oh Holiday)
Sometimes the system goes on the blink
And the whole thing turns out wrong
You might not make it back and you know
That you could be (8) oh that strong
And I'm not wrong
So where is the passion when you need it the most $% \left\{ 1\right\} =\left\{ 1\right\} =$
(Oh) You and I
You kick up the leaves and the magic is lost
'Cause you had a bad day
You're taking one down
You sing a sad song just to (9) it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
You've seen what you like
And how does it feel for one more time
You had a bad day
You had a bad day
