Fill in the gaps

Be Your Everything by Boys Like Girls

Four (1) word	I'll make you shiver
But I don't have the guts to say it	I'll keep you warm
Smile til it hurts	Whatever weather
Let's not make it complicated	Baby I'm yours
We got a story	Be your forever
But I'm about to change the ending	Be your fling
You're perfect for me	Baby I will be your everything
And more than just a friend	Baby I, Baby I will
So we can just stop pretending now	Baby I will be your everything
I gotta let you know somehow	No matter what you do
I'll be (2) shelter	I'll be (7) for you
I'll be your storm	And everytime you close your eyes
I'll make you shiver	I will be by your side
I'll keep you warm	'Cause everytime you make me sing
Whatever weather	Baby I will be your everything
Baby I'm yours	I'll be your shelter
Be your forever	I'll be your storm
Be your fling	I'll make you shiver
Baby I will be (3) everything	I'll keep you warm
Baby I, Baby I will	Whatever weather
Baby I will be your everything	Baby I'm yours
We used to say	Be your forever
That we would always stick together	Be your fling
But who's to say	Baby, I will be your everything
That we could never last forever	Baby I, baby I will
Girl, got a question	Baby I will be your everything
Could you see (4) with somebody else?	Baby I, (8) I will
'Cause I'm on a mission	Baby I will be your everything
And I don't wanna share	Baby I, baby I will
I (5) you all to myself right now	Baby I will be your everything
And I (6) wanna scream it out	
I'll be your shelter	
I'll be your storm
