Fill in the gaps

Be Your Everything by Boys Like Girls

Four letter word	I'll make you shiver
But I don't (1) the guts to say it	I'll keep you warm
Smile til it hurts	Whatever weather
Let's not make it complicated	Baby I'm yours
We got a story	Be your forever
But I'm about to (2) the ending	Be your fling
You're (3) for me	Baby I will be your everything
And more than (4) a friend	Baby I, Baby I will
So we can (5) stop pretending now	Baby I (17) be your everything
I gotta let you (6) somehow	No matter what you do
I'll be your shelter	I'll be (18) for you
I'll be your storm	And everytime you close your eyes
I'll (7) you shiver	I will be by your side
I'll keep you warm	'Cause everytime you (19) me sing
Whatever weather	Baby I (20) be (21) everything
Baby I'm yours	I'll be (22) shelter
Be (8) forever	I'll be (23) storm
Be your fling	I'll (24) you shiver
Baby I will be your everything	I'll keep you warm
Baby I, (9) I will	Whatever weather
Baby I (10) be your everything	Baby I'm yours
We used to say	Be (25) forever
That we would always (11) together	Be your fling
But who's to say	Baby, I will be your everything
That we could never (12) forever	Baby I, baby I will
Girl, got a question	Baby I will be your everything
Could you see yourself with (13) else?	Baby I, baby I will
'Cause I'm on a mission	Baby I (26) be your everything
And I don't wanna share	Baby I, baby I will
I want you all to myself (14) now	Baby I (27) be your everything
And I just wanna (15) it out	
I'll be your shelter	
I'll be (16) storm
