The Crow & The Butterfly by Shinedown

I painted (1)	(2)	at midnight	You know I can barely breathe
So I'd know yesterd	lay was over		Just like a crow chasing the butterfly
I put all your books	on the top shelf		Dandelions lost in the summer sky
Even the one with t	he four leaf clov	er	When you and I were gettin' high as outer space
Man I'm getting old	er		I never thought you would (9) away
I took all your pictures off the wall			I guess I was (10) a little too late
And wrapped them in a newspaper blanket			Just like a crow chasing the butterfly
I haven't slept in what (3) like a century			Dandelions lost in the summer sky
And now I can barely breathe			When you and I were gettin' high as outer space
Just like a crow chasing the butterfly			I never thought you would slip away
Dandelions lost in the summer sky			Like a crow chasing the butterfly
When you and I were gettin' high as (4) space			Dandelions lost in the summer sky
I (5) t	hought you wou	ld (6) away	When you and I were gettin' high as outer space
I guess I was just a little too late			I never thought you would slip away
Your words still (7) me			I guess I was just a little too late
Your allibies won't l	et me sleep		Just a little too late
I've never heard su	ch a haunting m	elody
