The Crow & The Butterfly by Shinedown

I painted your room at midnight	You know I can barely breathe
So I'd know yesterday was over	Just like a crow chasing the butterfly
I put all your books on the top shelf	Dandelions lost in the summer sky
Even the one with the four (1) clover	When you and I were gettin' high as outer space
Man I'm getting older	I never thought you would slip away
I took all (2) pictures off the wall	I guess I was just a little too late
And (3) them in a newspaper blanket	Just like a crow (5) the butterfly
I haven't slept in what seems like a century	Dandelions lost in the summer sky
And now I can barely breathe	When you and I were gettin' high as outer space
Just (4) a crow chasing the butterfly	I (6) thought you would slip away
Dandelions lost in the summer sky	Like a crow chasing the butterfly
When you and I were gettin' high as outer space	Dandelions lost in the summer sky
I never thought you would slip away	When you and I were gettin' high as outer space
I guess I was just a little too late	I (7) thought you would slip away
Your words still serenade me	I (8) I was (9) a little too late
Your allibies won't let me sleep	Just a little too late
I've never heard such a haunting melody	
(Oh) it's killing me
