Fill in the gaps

New York, New York by Ryan Adams

1, 2, 3	The world won't (15) and I (16)
Vell, I (1) through the (2) on	you shake
he 4th of July	But honey, I don't (17) you
had a firecracker waiting to blow	Hell, I (18) (19) you, New York
Breaking like a (3) who was making his way	Hell, I still (20) you, New York
To the cities of Mexico	New York
ived in an (4) out on Avenue A	I remember (21) in the blistering cold
had a tar-hut on the corner of 10th	In a (22) on the upper west side
Had myself a (5) who was finer (6)	Babe, I stood their singing, I was holding your arm
gold	You were holding my trust like a child
But I've been broken up and busted up since	Found a lot of trouble out on Avenue B
And love don't play any (7) with me	But I tried to keep the overhead low
Anymore like she did before	Farewell to the city and the love of my life
The world won't wait, so I better shake	At (23) we left before we had to go
That thing right out there through the door	And love won't play any games with you
Hell, I still love you, New York	Anymore if you want 'em to
Found (8) a picture that would fit in the folds	So we better shake (24) old thing out the door
Of my (9) and it stayed pretty good	I'll always be thinkin' of you
Still (10) I didn't lose it on the (11)	I'll always love you (25) New York
of the place	I'll always love you though New York
When I was drunk and I was thinking of you	I'll always love you (26) New York
Every day the children they (12) singing their tune	I'll always love you though New York
Out on the streets and you could hear from inside	New York, New York
Jsed to take the subway up to Houston and 3rd	
would wait for you and I'd try to hide	
And (13) won't play any games with you	
Anymore if you don't (14) 'em to
