## Empire State Of Mind (Part II) Broken Down (Live) by Alicia Keys

(Ooooonn) New York	I got a pocketful of dreams
(Oooooohh) New York	Baby, I'm from New York
Grew up in a town	Concrete jungle where dreams are made
That is (1) as the (2) of movie	There's nothing you can't do
scenes	Now you're in New York
Noise was (3) loud	These street will make you (16) brand new
There are sirens all around	Big lights will inspire you
And the (4) are mean	Hear it for New York, New York, New York!
If I can make it here	One hand in the air for the big city
I can make it anywhere	Street lights, big dreams, all lookin' pretty
That's what they say	No place in the world (17) can compare
Seeing my (5) in lights	Put (18) lighters in the air
Or my name on (6) found down on	Everybody say yeah, yeah
Broadway	Yeah (yeah, yeah)
Even if it ain't all it seems	In New York
I got a pocketful of dreams	Concrete jungle where (19) are made
Baby, I'm from New York	There's nothing you can't do
Concrete (7) (8) dreams are	Now you're in New York
made	These (20) will (21) you
There's (9) you can't do	(22) brand new
Now you're in New York	Big lights (23) inspire you
These (10) will make you feel brand new	Hear it for New York
Big (11) inspire you	Concrete jungle where (24) are made
Hear it for New York, New York, New York!	There's nothing you can't do
On the Avenue	Now you're in New York
There ain't (13) a curfew, ladies work so hard	These streets will make you feel brand new
Such a meltin' pot	Big lights will inspire you
On the corner (14) rock, preachers pray to	Hear it for New York, New York, New York
God	
Hail a gypsy cab	
Takes me down from Harlem to the Brooklyn Bridge	
Someone sleeps tonight	
With a (15) far more than an empty fridge
