#### Empire State Of Mind (Part II) Broken Down (Live) by Alicia Keys

(Oooooohh) New York	I got a pocketful of dreams
(Oooooohh) New York	Baby, I'm from New York
Grew up in a town	Concrete jungle where dreams are made
That is (1) as the place of movie scenes	There's (6) you can't do
Noise was always loud	Now you're in New York
There are sirens all around	These street will make you feel brand new
And the streets are mean	Big lights will inspire you
If I can make it here	Hear it for New York, New York, New York!
I can make it anywhere	One hand in the air for the big city
That's what they say	Street lights, big dreams, all lookin' pretty
Seeing my face in lights	No place in the world that can compare
Or my name on marquees found (2) on Broadway	Put your lighters in the air
Even if it ain't all it seems	Everybody say yeah, yeah
I got a pocketful of dreams	Yeah (yeah, yeah)
Baby, I'm from New York	In New York
Concrete jungle where dreams are made	Concrete jungle where dreams are made
There's nothing you can't do	There's (7) you can't do
Now you're in New York	Now you're in New York
These streets will make you feel brand new	These streets will make you feel brand new
Big lights will inspire you	Big lights will inspire you
Hear it for New York, New York, New York!	Hear it for New York
On the Avenue	Concrete jungle where dreams are made
There ain't never a curfew, ladies work so hard	There's nothing you can't do
Such a meltin' pot	Now you're in New York
On the corner selling rock, preachers pray to God	These streets (8) make you (9) brand
Hail a gypsy cab	new
Takes me down from Harlem to the (3)	Big lights will inspire you
Bridge	Hear it for New York, New York, New York
Someone sleeps tonight	
With a hunger far (4) than an (5)	
fridge
