Fill in the gaps

You could buy me diamonds	All the while
You (1) buy me pearls	Bein' true
Take me on a cruise around the world	Don't take for granted
Baby, you know I'm worth it	The passions that she has for you
Dinner lit by candles	You will lose
Run my bubble bath	If you choose
Make love (2) to last and last	To refuse
Baby, you know I'm worth it	To put her first
Wanna please	She will
Wanna keep	And she can
Wanna treat your woman right	Find a man who knows her worth
Not just dough	(Ooh)
Better show	'Cause a real man knows a real woman
That you know she is worth your time	When he sees her
You (3) lose	(When he (5) her)
If you choose	And a real woman
To refuse	Knows a real man ain't 'fraid to (6) her
To put her first	(Please me)
She will	And a real woman
And she can	Knows a real man (7) comes first (first baby)
Find a man who knows her worth	And a real man just can't deny
'Cause a real man	A woman's worth
Knows a real woman when he sees her	No need to read between the (8) spelled out for
(When he sees her)	you
And a real woman	(Spelled out for you)
Knows a real man ain't 'fraid to please her	Just (9) this song
(Please her)	'Cause you can't go wrong when you value
And a real woman	A woman's, woman's, woman's
Knows a real man always come first	Worth, yeah
And a real man just can't deny	'Cause a real man
A woman's worth	Knows a real woman when he sees her
(A woman's worth)	(When he sees her)
	And a real woman
If you treat me fairly	Knows a real man ain't 'fraid to please her
I'll give you all my goods	(Please me)
Treat you like a real woman should	And a real woman
Baby, I know you're worth it	Knows a real man always comes first
If you never play me	(First baby)
Promise not to bluff	And a real man just can't deny
I'll hold it down when shit gets rough	A woman's worth
'Cause baby, I know you're worth it
