You could buy me diamonds	All the while
You could buy me pearls	Bein' true
Take me on a cruise around the world	Don't take for granted
Baby, you know I'm worth it	The passions that she has for you
Dinner lit by candles	You will lose
Run my bubble bath	If you choose
Make (1) tenderly to last and last	To refuse
Baby, you know I'm worth it	To put her first
Wanna please	She will
Wanna keep	And she can
Wanna treat your woman right	Find a man who knows her worth
Not just dough	(Ooh)
Better show	'Cause a real man (6) a real woman
That you know she is (2) your time	When he sees her
You will lose	(When he sees her)
If you choose	And a real woman
To refuse	Knows a real man ain't 'fraid to please her
To put her first	(Please me)
She will	And a real woman
And she can	Knows a real man always comes first (first baby)
Find a man who knows her worth	And a real man just can't deny
Cause a (3) man	A woman's worth
Knows a real woman when he sees her	No need to read between the lines spelled out for you
(When he sees her)	(Spelled out for you)
And a real woman	Just hear (7) song
Knows a real man ain't 'fraid to please her	'Cause you can't go wrong when you value
(Please her)	A woman's, woman's, woman's, woman's
And a real woman	Worth, yeah
Knows a real man always come first	'Cause a (8) man
And a real man just can't deny	Knows a real woman when he sees her
A woman's worth	(When he sees her)
(A woman's worth)	And a real woman
	Knows a real man ain't 'fraid to please her
If you treat me fairly	(Please me)
I'll give you all my goods	And a (9) woman
Treat you (4) a real woman should	Knows a real man always comes first
Baby, I know you're worth it	(First baby)
If you never play me	And a real man just can't deny
Promise not to bluff	A woman's worth
I'll hold it down when shit gets rough	
'Cause baby, I (5) you're worth it	
She walks the mile
