

To lift not one but both of us

Fill in the gaps

Both Of Us by B.o.B & Taylor Swift

I wish I was (1) enough	I can feel your pain, I can (8) your struggle
To lift not one but both of us	You just wanna live, but everything so low
Someday I will be strong enough	That you can (9) in a puddle
To lift not one but both of us	That's why I gotta hold us up, yeah, hold us up
Uh, ever thought about losing it?	For all the times no one ever spoke for us
When (2) money is all gone and you lose your	So every single time that they play this song
whip	You can say that, "That's what Bobby Ray wrote for us"
You (3) lose your grip	When the tides get too high
When the landlord tell you that you're due for rent	And the sea up underneath get so deep
And the grass so green on the other side	And you feel like you're just another person
Make a (4) wanna run straight through the fence	Gettin' lost in the crowd, way up high in the nosebleeds, uh
Open up the fridge 'bout twenty times	Because we've (10) been there, yeah, both of us
But you still can't find no food in it, that's foolishness	But we still stand tall with our shoulders up
And sometimes I wonder	And even though we always against the odds
All we care so much about the way we look	These are the things that have molded us
And the way we talk and the way we act	And if life hadn't chosen us
And the clothes we bought, how much that cost?	Sometimes I wonder where I would've wound up
Does it even really matter?	'Cause if it was up to me
'Cause if life is an uphill battle	I'd make a new blueprint
We all try to climb on the same old ladder	Then build it from the ground up, hey
In the (5) with the same old paddle	But if it's all for one and one for all
Why so shallow, I'm just asking	Then maybe one day we all could ball
What's the pattern, to the madness?	Do it one time for the underdogs
Everybody in a number one draft pick	From Bobby Ray to all of y'all
Most of us ain't Hollywood actors	I wish I was strong enough
But if it's all for one and one for all	To lift not one but both of us
Then maybe one day we all can ball	Someday I will be strong enough
Do it one (7) for the underdogs	To lift not one but both of us
Sincerely yours, from one of y'all	
I wish I was strong enough	
To lift not one but both of us	
Someday I will be strong enough
