

Fill in the gaps

You say	I'm (9) to find myself
It's all in my head	(10) way too
And the (1) I think	When you grace me with your cold shoulder
Just don't make sense	Whenever you look at me I (12) I was her
So where you been then?	You shower me (13) words made of knives
Don't go all coy	Whenever you look at me I (14) I was her
Don't turn it round on me like it's my fault	Time and time again I play the role of fool
See I can see	(Just for you)
That look in your eyes	Even in the daylight when you think that
The one that (2) me (3) and	(I don't see you)
(4) time	Try to (15) for things I hear but our (16)
You grace me with your cold shoulder	(17) find
Whenever you (5) at me I wish I was her	Though I do know how you play
You shower me (6) words (7) of knives	You grace me with your (18) shoulder
Whenever you look at me I wish I was her	Whenever you (19) at me I (20) I was
These days	her
When I see you	You shower me with words (21) of knives
You (8) it look like I'm see-through	Whenever you (22) at me I wish I was her
Do tell me why	You (23) me with (24) (25)
You waste our time	shoulder
When your heart ain't in it and you're not satisfied	Whenever you look at me I wish I was her
You know I know	You shower me (26) words made of knives
Just how you feel	Whenever you look at me I (27) I was her (oh, oh oh)
