

Fill in the gaps

You say		
It's all in my head		
And the things I think		
Just don't make sense		
So where you been then?		
Don't go all coy		
Don't turn it round on me like it's my fault		
See I can see		
That look in your eyes		
The one that shoots me each and every time		
You (1) me with your cold shoulder		
Whenever you look at me I wish I was her		
You shower me with words (2) of knives		
Whenever you look at me I wish I was her		
These days		
When I see you		
When I see you You make it (3) like I'm see-through		
•		
You make it (3) like I'm see-through		
You make it (3) like I'm see-through Do tell me why		
You make it (3) like I'm see-through Do tell me why You waste our time		

I'm (4)	to find myself feeling that way too	
When you (5)	me with your cold shoulder	
Whenever you look at me I wish I was her		
You shower me (6)	(7) made of	
knives		
Whenever you look at me I	(8) I was her	
Time and time again I play the role of fool		
(Just for you)		
Even in the daylight when you think that		
(I don't see you)		
Try to look for things I hear but our eyes never find		
Though I do know how you play		
You grace me with your cold shoulder		
Whenever you look at me I wish I was her		
You shower me with words made of knives		
Whenever you look at me I wish I was her		
You grace me with your cold shoulder		
Whenever you look at me I	(9) I was her	
You (10) me	e with words made of knives	
Whenever you look at me I wish I was her (oh. oh. oh)
